

ASX RELEASE
29 October 2018

VOLUNTARY SUSPENSION UPDATE

Further to the request for Voluntary Suspension on 24 October 2018, ResApp Health Limited (ASX:RAP) ("**Company**") advises that it has received the US SMARTCOUGH-C-2 study results and is currently in the process of analysing these results. The Company anticipates that it will be in a position to release a full update to the market on Tuesday 30 October 2018.
