

## Brian Leedman Reappointed as Executive Director

**Brisbane, Australia, 18 May 2021** – ResApp Health Limited (ASX:RAP), a leading digital health company developing smartphone applications for the diagnosis and management of respiratory disease, is pleased to announce that Brian Leedman, one of the founders of the company has been reappointed as Executive Director, Corporate Affairs.

Mr Leedman has managed investor relations for the company since its ASX listing in 2015, most recently as Vice President, Corporate Affairs. Between February 2016 and December 2017, Mr Leedman served on the board of directors as Executive Director, Corporate Affairs. As Executive Director, Corporate Affairs he will continue in his role managing investor relations for the company. Mr Leedman brings a range of skills and experience to the board and is currently Non-Executive Chairman of three ASX listed healthcare companies.

“We welcome Brian back to the board at an important time for the company,” said Tony Keating, CEO and Managing Director. “Over the last 12 months ResApp has formed key strategic partnerships to bring our novel technology to market and put the company in a great position to deliver long term value to our shareholders. Brian has over 15 years of experience in investor relations and with his deep understanding of healthcare investors’ requirements he will be a valuable asset to the board.”

“ResApp has the potential to become a great globally successful Australian healthcare company,” said Brian Leedman, Executive Director, Corporate Affairs. “Our unique ability to diagnose and screen for respiratory disease from a cough or sleep sounds using only a smartphone has the potential to disrupt healthcare by providing fast, low cost, medical diagnosis at-scale. I look forward to the successful commercialisation of these and other exciting technologies in development and working with the board to deliver strong shareholder returns.”

A summary of Mr Leedman’s employment contract is included as an Appendix to this announcement.

###

### About ResApp Health Limited

ResApp Health Limited (ASX: RAP) is a leading digital health company developing smartphone applications for the diagnosis and management of the respiratory disease. ResApp’s machine learning algorithms use sound to diagnose and measure the severity of respiratory conditions without the need for additional accessories or hardware. ResApp’s regulatory-approved and clinically validated products include ResAppDx, a smartphone-based acute respiratory disease diagnostic test for use in telehealth, emergency department and primary care settings; and SleepCheck, a smartphone application which allows consumers to self-assess their risk of sleep apnoea. Both products are CE Marked in Europe and TGA approved in Australia. For more information, please visit [www.resapphealth.com.au](http://www.resapphealth.com.au).
