

## ResAppDx receives regulatory approval in Indonesia

**Brisbane, Australia, 1 September 2021** – ResApp Health Limited (ASX:RAP), a leading digital health company developing smartphone applications for the diagnosis and management of respiratory disease is pleased to announce receipt of Indonesian regulatory approval for its smartphone-based acute respiratory disease diagnostic test, ResAppDx.

ResApp has partnered with Alodokter, the largest provider of telehealth services in Indonesia, to launch ResAppDx in Indonesia prior to 1 December 2021 (ref ASX announcement 4 August 2021).

CEO and Managing Director, Dr Tony Keating said: *“Obtaining regulatory approval in Indonesia is an important step in our partnership with Alodokter. With a population of over 270 million and a growing telehealth market, Indonesia represents an exciting opportunity for ResApp and with Alodokter we have an important partner that should see significant use of ResAppDx by doctors and their patients.”*

### About ResApp Health Limited

ResApp Health Limited (ASX: RAP) is a leading digital health company developing smartphone applications for the diagnosis and management of the respiratory disease. ResApp’s machine learning algorithms use sound to diagnose and measure the severity of respiratory conditions without the need for additional accessories or hardware. ResApp’s regulatory-approved and clinically validated products include ResAppDx, a smartphone-based acute respiratory disease diagnostic test for use in telehealth, emergency department and primary care settings; and SleepCheck, a smartphone application which allows consumers to self-assess their risk of sleep apnoea. Both products are CE Marked in Europe and TGA approved in Australia. For more information, please visit [www.resapphealth.com.au](http://www.resapphealth.com.au).
